

**IMPLEMENTATION OF THE UNIVERSAL CHARGE-MISSIONARY ELECTRIFICATION RATE OF
PHP0.0709/KWH (ERC CASE NO. 2011-074RC)**

In its August 1, 2011 Order, the Energy Regulatory Commission (ERC) provisionally approved the recovery from Universal Charge of the shortfalls in the Missionary Electrification Subsidy for Calendar Years 2003-2009 under the true-up mechanism pursuant to the ERC's Resolution No. 11, Series of 2005 and the corresponding adjustment of the Universal Charge for Missionary Electrification (UCME) filed by the National Power Corporation-Small Power Utilities Group (NPC-SPUG).

Accordingly, the ERC directed NGCP to collect, as an additional charge, the UCME charge of Php0.0709/kWh from its end-user customers starting August 2011 billing month (or July 26 – August 25, 2011). Effectively, NGCP shall bill its end-user customers the UCME charge of Php0.1163/kWh.

	Rates, Php/kWh
UCME Subsidy ¹	0.0454
True-up Adjustment ²	0.0709
Total UCME Charge	0.1163
