Power interruption in Northern Samar on November 18, 2011

The National Grid Corporation of the Philippines (NGCP) restored power transmission services in Northern Samar at around 11:29 AM today after re-energizing the Palanas Cara-Catarman 69-kV line.

Northern Samar Electric Cooperative (NORSAMELCO) experienced the power outage which lasted from 12:02 AM to 11:29 AM on November 18.

Initial reports indicated that a bolt was detached from the cross-arm of a wooden pole in Brgy. Bayho Lope de Vega, Northern Samar. Said isolated incident caused the tripping of the line. ###
