NGCP signs MOA with Bureau of Fire Protection to secure power facilities

The National Grid Corporation of the Philippines (NGCP) teams up with the Bureau of Fire Protection (BFP) to provide optimum security and fire protection for the nationwide network of lines, towers, substations, and other transmission facilities.

This collaborative undertaking ensures the full coordination, assistance, and provision of specialized equipment, training, radio communication and upgrading of fire-fighting techniques for rapid response during emergencies and disasters. Prevention of accidents and immediate response to fire emergencies will further assure the public of NGCP's uninterrupted services.

NGCP's **Mr. Liu Zhaoqiang**, Assistant Chief Technical Officer for Operations and Maintenance (front, 4th from left), signed the Memorandum of Agreement with **CSupt. Samuel R. Perez**, Deputy Chief for Administration/OIC of the BFP (3rd from left) at the BFP Conference Room, Quezon City last December 20. They were joined by (front, from left to right) **CSupt. Rodrigo R. Abrazaldo**, Chief Directorial Staff; **CSupt. Ruben F. Bearis, Jr.**, Deputy Chief for Operations; **Engr. Faustino A. Manlucu**, NGCP Division Head for Quality and Safety Management, **Supt. Joselito A. Cortez**, Chief, Fire Suppression Operations Division, and **Col. Jeffrey R. Tupas**, NGCP's Security Department Head. ###
