### **Power interruption in parts of Negros Oriental**

The National Grid Corporation of the Philippines (NGCP) restored power transmission services in parts of Negros Oriental on January 31, 2012 after re-energizing the Mabinay-Bayawan 69kV transmission line.

Customers of Negros Oriental Electric Cooperative, Inc. (NORECO I and NORECO II) experienced the unplanned power interruption on January 31, 2012 which lasted from 1:43pm to 6:07pm.

Reports indicate that the outage was caused by the broken cross arm of one of the structures located in Bgy. Pantao 2, Bayawan City.
