### Scheduled power interruption in parts of Negros Occidental

The National Grid Corporation of the Philippines (NGCP) serves notice of the scheduled shutdown of some of its transmission facilities in these areas:

**Date:** 18 December 2011

**Time:** 8:00AM-10:00AM

**Affected Distribution Utility:** \* Negros Occidental Electric Cooperative, Inc. (NOCECO)

**Reason:** De-energization of Calumanggan-San Enrique 69kV transmission line to facilitate the request of Central Negros Electric Cooperative, Inc. (CENECO) to tap and energize their new Lag-asan Substation at Bago City

Normal operations will immediately resume after work completion. NGCP's customers and the general public are advised to take the necessary preparations and precautions for this scheduled interruption.

*\*Specific cities and municipalities to be affected by the power interruption are determined by the abovementioned Distribution Utility (DU), unless the activity affects the entire franchise area. The DU allots the available power within its franchise area and implements the power interruption schedule among the end-users.*
