### Scheduled power interruption in parts of Pampanga

The National Grid Corporation of the Philippines (NGCP) serves notice of the scheduled shutdown of some of its transmission facilities in these areas:

**Date:** 02 February 2012

**Time:** 7:30AM – 8:00AM

**Date:** 03 February 2012

**Time:** 5:00PM – 5:30PM

**Affected Distribution Utility:** \* Pampanga III Electric Cooperative (PELCO III) Apalit, Pao & Macabebe Substation

**Reason:** Repair works along Mexico-PIMU 69kV line.

Normal operations will immediately resume after work completion. NGCP's customers and the general public are advised to take the necessary preparations and precautions for this scheduled interruption.

*\* Specific cities and municipalities to be affected by the power interruption are determined by the abovementioned Distribution Utility (DU), unless the activity affects the entire franchise area. The DU allots the available power within its franchise area and implements the power interruption schedule among the end-users.*
