### **News Release**

1 September 2011

### **Power interruption in parts of Maguindanao and Sultan Kudarat on August 25 -26, 2011**

The National Grid Corporation of the Philippines (NGCP) restored power transmission services in parts of Maguindanao and Sultan Kudarat after re-energizing the Tacurong–Cotabato 69-kV Transmission Line. Said line had a sustained fault from August 25, 11:18PM to August 26, 9:39AM.

For security reasons, line patrol was conducted early morning of August 26. Normal operation was restored after patrolling line personnel confirmed that the 69-kV line was safe for re-energization.

Among the areas affected by the power interruption were parts of Isulan and Esperanza in Sultan Kudarat, and parts of Datu Piang, Datu Unsay, Shariff Aguak, Mamasapano, Datu Salibo, and Ampatuan in Maguindanao. ###
