News Release
15 September 2011

Scheduled power interruption in parts of Cebu

The National Grid Corporation of the Philippines (NGCP) serves notice of the scheduled shutdown of some of its transmission facilities in these areas:

Date	Time	Affected Customers	Affected Areas	Reason
September 25, 2011	8:00am – 5:00pm	CEBECO 2 served by 10MVA transformer at Danao Load-end Substation	All barangays of Carmen and Danao except Maslog, Sabang, & Looc.	Replacement of 13.8KV oil circuit breaker for Carmen Feeder, and checking of transformer & feeder protection at Danao Load-end Substation.

Normal operations will immediately resume after work completion. NGCP's customers and the general public are advised to take the necessary preparations and precautions for this scheduled interruption.
