

NATIONAL GRID CORPORATION OF THE PHILIPPINES

News Release
24 June 2011

Scheduled power interruption in parts of Pampanga

The National Grid Corporation of the Philippines (NGCP) serves notice of the scheduled shutdown of some of its transmission facilities in these areas:

| Date | Time | Affected Customers | Affected Areas | Reason |
|--------------|-------------------|---|-----------------------------|---|
| 29 June 2011 | 06:00AM - 06:00PM | San Fernando Electric Lights and Power (SFELAPCO) | Entire City of San Fernando | To facilitate the transferring of Mexico - SFELAPCO 69kV line from 100MVA Transformer #2 to New 300MVA Transformer #1 Other maintenance works along the line |

Normal operations will immediately resume after completion of the works. NGCP's customers and the general public are advised to take the necessary preparations and precautions in anticipation of this scheduled interruption.
