News Release
19 July 2011

Scheduled power interruption in parts of Zamboanga City

The National Grid Corporation of the Philippines (NGCP) serves notice of the scheduled shutdown of some of its transmission facilities in these areas:

Date	Time	Affected Customers	Affected Areas	Reason
23 July 2011	09:00AM – 05:00PM	ZAMCELCO	To experience brief interruptions at 9:00AM & 5:00PM: Areas under Zamcelco's Cabatangan Substation	NGCP will rehabilitate and convert dilapidated structure along the Pitogo-San Roque 69 kV Line. Brief interruptions will be due to switching procedures to enable energization of Zamcelco's Cabatangan Substation via the Sangali-Zambo. City 69kV Line.

Normal operations will immediately resume after completion of the works. NGCP's customers and the general public are advised to take the necessary preparations and precautions in anticipation of this scheduled interruption.
