News Release
07 June 2011

Scheduled power interruption in parts of Zamboanga City

The National Grid Corporation of the Philippines (NGCP) serves notice of the scheduled shutdown of some of its transmission facilities in these areas:

Date	Time	Affected Customers	Affected Areas	Reason
11 June 2011	08:00AM – 05:00PM	ZAMCELCO	To experience brief interruptions : Areas under Zamcelco's Putik, Camanchile and Sangali Substations <u>Putik Feeder</u> – Presa, Mercedes, Tetuan & Northside <u>Camanchile Feeder</u> – ACLEM, Rio Hondo, Guiwan, Arena Blanco, Tumaga, Sta. Catalina and Nunez <u>Sangali Feeder</u> – Curuan & Culianan	NGCP will replace rotten woodpoles along its Sangali-Divisoría 69 kilovolt line section at Mercedes, Zambo. City. To isolate this line section, there will be switching procedures, hence the brief interruptions before start of work and after completion.

Normal operations will immediately resume after completion of the works. NGCP's customers and the general public are advised to take the necessary preparations and precautions in anticipation of this scheduled interruption.
